## **MSCA Announces Seven New STAR Contractors 87 MSCA Members Have Achieved Elite Status**

**ROCKVILLE, MD** – The Mechanical Service Contractors of America (MSCA) announced that seven additional contractors have achieved MSCA STAR status, bringing the total number of STAR contractors nationally to 87. MSCA STAR is a qualification program that recognizes contractors who exceed rigorous operating and training standards set by MSCA.

The seven new MSCA STAR members are:

- American Mechanical Services – Laurel, MD
- Andy J. Egan Company, Inc. – Grand Rapids, MI
- E.B. O'Reilly Servicing Corp. – Philadelphia, PA
- P1 Group, Inc. – Lenexa, KS
- PSR – HVAC & Mechanical Services – Seattle, WA
- Smith-Boughan, Inc. – Lima, OH
- William F. Lynch, Inc. – Worcester, MA

-more-

MSCA STAR qualified contractors represent the best in HVACR service for commercial, institutional and industrial customers. MSCA STAR companies have demonstrated they offer customers unsurpassed support, quality workmanship and safe and reliable service.

“MSCA STARs have a proven record of success and uphold the highest standards of professionalism and company practices,” said Barbara Dolim, Executive Director of MSCA. “By achieving STAR status, they are providing their customers with the best service and value.”

The MSCA STAR program is independently verified by the National Inspection, Testing and Certification Corporation (NITC), an ISO 9001 and ANSI-accredited certifying organization. To see a complete list of MSCA STARs, visit <http://www.msca-star.org/findContractor.php?viewAll=1&submitFlag=1>.

For more information about MSCA STAR and its benefits to the building owner, visit [www.msca-star.org](http://www.msca-star.org) or contact Barbara Dolim at [bdolim@mcaa.org](mailto:bdolim@mcaa.org).

###

***About MSCA***

*MSCA is the leading national trade association for HVACR contractors, providing education, marketing and labor/management services to assure its members deliver quality performance, value and expertise for all building system needs. MSCA contractors perform service, maintenance, replacement, retrofit and repair work resulting in enhanced reliability, tenant satisfaction, and efficiency. MSCA’s contractor qualifications program, MSCA STAR, recognizes contractors that have met the highest standards of excellence in the industry and employ highly-skilled UA STAR certified technicians. MSCA has over 1,200 members and is a subsidiary of the Mechanical Contractors Association of America.*
